

## **Welcome to new parents**

On behalf of the members of the Oakley Junior School Association (OJSA) I would like to welcome you to the school with this newsletter which has been put together to tell you a little about our group and the work we do.

## **OJSA activities**

The OJSA is a very active association which supports the school. It organises many activities throughout the year and raises money for the children. The OJSA also provides important links between home, school and community. Events organised by the OJSA have included the school fayre, quiz nights and car boot sale. We also hold three children's discos each year, subsidise pantomimes and some other school activities, and provide refreshments at sports day and other school events.

All parents are welcome to join the OJSA. Other relatives and friends associated with the school can also join the association. Help with events is welcome from all members of the school community.

## **Fund raising**

Our current fund raising efforts are aimed at providing an outside classroom. We are also helping to update the books in the library.

## **Nearly New Uniform Shop**

There is a wide range of nearly new uniform available. Please contact Louise Hanney at [louise@hanneyfamily.net](mailto:louise@hanneyfamily.net) or visit the OJSA Facebook page for further details. Donations of good quality items are always appreciated and can be left at the school office.

## **Annual General Meeting**

Invitations to attend the AGM are sent out each year.

We are always looking for new committee members and will also need more volunteers for our 'active list' (comprising those who are happy to be asked to help but unable to commit to join the committee). If you would like to be involved please contact the school office with your contact details.

Thanks and best wishes

OJSA
