

Year 4 Autumn Term

# Anglo-Saxons v. Vikings

**Maths**—We will build upon the 4 different operations to develop formal written methods. We will also look at 2D shapes, fractions and decimals.

**English**— We will start off by looking at imagery in poems and the techniques used. We will also study stories with a historical setting, newspaper reports and play scripts.

**RE**—We will look at the Jewish harvest festival of Sukkot and have a visit from a local Rabbi. We will then look at the concept of Angels.

**Art**—We will study Viking brooches and their designs. We will then design and make our own brooches.

**French**—We will continue to build on our knowledge by playing games and singing songs.

**Science**— We will learn about teeth and the digestive system of humans and animals. We will then look at circuits and electricity.

**DT**—To link with our electricity topic we will be designing and making torches.

**Music**—Our music unit will be focusing on beat.

**History**—This term we will learn about the Anglo-Saxons and the Vikings. Who were they? Where did they come from? What did they change in Britain?

**PE**— We will have the support of Planet Education to deliver lessons focusing on netball skills. We will also be improving our fitness during circuits.
