Year 3-Summer Term 1

Science:

We will be learning all about plants:

- The functions of each part
 - Pollination

 Seed dispersal

Geography

We will be learning about
a contrasting UK locality—
Southsea. We will be
developing our map skills and
carrying out some
fieldwork.

Art

We will be learning about Vincent Van Gogh.
We will be doing our own artwork inspired by his paintings of sunflowers.

Computing

We will be using Scratch
Junior to develop simple
programs. You can download a free app on IOS
and Android.

Maths

We will be developing our + and -skills and × and ÷ skills in different contexts. We will also be looking at fractions and shapes.

English

We are looking at classical poetry and the work of Eleanor Farjeon and Charles Causley. We will also be writing and following instructions.

RE

We will be thinking about our own special books and the specialness of the Bible and the Torah.

PE

We will be developing our bat and ball skills in tennis.

French—We will continue to learn to count and share stories.

Music—We will be learning how to make music inspired by technology.

PSHE—We will be learning how to recognise our own feelings and understand the feelings of others.

Year 3—Summer Term 2

DT

We will be learning about pneumatics and making sandwiches for a picnic.

Geography

We will be continuing to learn about Southsea and comparing it to Oakley. We will us our fieldwork to do this.

Computing

We will be creating our own class blogs.

Science

We will be learning about where light comes from, how it travels and how shadows are formed.

We will be reading and writing our own mystery stories. We will be learning about formal and informal letter writing, and write our own letters.

English

French

We will continue to share songs and stories. We will practice our conversation skills.

Art

We will be

learning how

to mix colours to create and use different

shades.

PE

We will be running and jumping in athletics and swimming twice a week.

Maths

We will be developing our + and - skills and x and ÷ skills in different contexts. We will also be looking at fractions and shapes.

PSHE

We will be thinking <mark>about changes in our</mark> lives.

RE

We will be sharing and thinking about miracle stories from the Bible.
