

Homework Club - Code of Conduct

Homework Club will be an opportunity for you to complete your home learning in a quiet place, where you will be able to use school equipment including the ICT suite and the library. There will also be adults at the club to help you understand your homework.

For everyone to be able to get their homework done properly, we need to have some ground rules. We expect your behaviour to be of the same standard as we see during the school day.

Do...

- Sign in at the start of the session so that we know who is in the building.
- Bring your homework instructions with you because the teacher who is working with you may not have set it.
- Come to the club with a good attitude. Sometimes you may find the homework tricky but be prepared to keep trying until you can do it. We will be there to help you!
- Make sure your parents know that you are coming to Homework club and arrange where you will be meeting them after the club has finished. If the person who is picking you up is not there, come back into the school office.
- Enjoy playing some games and activities once you have completed your homework.
- Continue to read your home reading book regularly at home.
- Learn your spellings at home ready for your spelling test.
- Use the homework club to work on any current Home/School Project.

Do not...

- Leave the building until the adult has said you can at 4:15.
- Stop other children learning or completing their homework by behaving in a way that is disruptive or distracting.

We are quite sure that it won't need to happen, but if we feel that you are not able to follow this code of conduct, we will ask you to no longer come to homework club. This is so that other children can complete their home learning in a calm and quiet place.

If you think you are going to come along to homework club, please sign and return the slip below to your class teacher.

Thank you.

I have read this with my parents and understand how I need to behave at homework club.

Signed..... (Pupil)

Class

I have read this with my child and they understand how they need to behave at homework club.
