14th September 2017

Dear Parents,

This year, we will be continuing the weekly homework club on a Wednesday from 3:25 pm to 4:15 pm. The club will begin on 20th September 2017. The club will be staffed by two class teachers and will provide a quiet, supportive and well-resourced environment for the children to complete their homework.

For those children who wish to attend the homework club, there is a Code of Conduct on the reverse of this letter for you to read through and discuss with your child. This is to ensure that everyone who attends the club has the opportunity to complete their homework in a calm and productive environment. Children who do not adhere to the Code will be asked not to attend the club.

Children who would like to come along to homework club can do so on a flexible basis. They will not be expected to attend every week if they do not need or want to. However, once they have signed in at the start of the session, they will not be permitted to leave until 4:15 pm. If they have finished their homework task, there will be activities for them to do until it is time to leave.

It is still an expectation that your child will read regularly at home and that spellings will be learnt as usual.

If you need any further information, please get in contact with me.

Yours sincerely,

Sarah Hill

Deputy Headteacher
