Headteacher: Mr Steve Rich

September 2016

Dear Parent

Payments for School Activities

During each school year, the pupils have access to a range of opportunities such as school visits, theatre productions and a variety of other activities that enrich their learning. The children also have access to the school swimming pool in the summer term and a small amount of this contribution will help the school with running costs.

In order to make these activities possible, we ask for an annual contribution of £35 for each child.

(Please note that payment for music tuition and residential trips are not included in this scheme.)

As in previous years, the school and OJSA will continue to subsidise these activities but I should stress that without sufficient parental contributions these activities would not be able to take place.

I would be grateful to receive your contribution(s) with the attached slip.

With thanks and best wishes

Steve Rich
Headteacher
