If you have indicated that you wish to borrow an instrument it is now possible to hire instruments from Hampshire Music Service at a cost from £20 per term. Please visit

<http://www3.hants.gov.uk/education/hms> for further information.

Sessions are charged at the following rates (these are reviewed each September)

Fees per Term/Year

Group lesson - £60.00 / £180

** Recorder lessons are charged at £21.50 / £64.50

Although there are 38 potential teaching weeks, it is inevitable that some lessons will be missed. Therefore the charge is based on thirty-three lessons in total over the school year. Invoices are sent out for music lessons each term.

It is also important to point out that this is a commitment for the whole school year.

The lessons take place during the school day and this does mean that your child may miss part of a curriculum subject.
